December 17, 2018

Dear Business Owner/Manager,

Spring View Middle School's Music Department is proud to announce the 13th annual Pasta Dinner and Silent Auction. The dinner party and silent auction will be held on March 7th, 2019 from 5:00 p.m. – 7:30 p.m. at Spring View Middle School, 5040 5th Street, Rocklin 95677.

It's always a sold-out event, and includes musical performances by our accomplished Jazz, Concert, and Symphonic bands as well as our Concert Choir and String Orchestra. Our pasta dinner and silent auction will raise funds to help send our students to music festivals and tours in the Spring, as well as provide sheet music, instrument maintenance and repairs. Every student enrolled in music at Spring View benefits from this fundraiser.

Our music program has grown! This year we have a total of 127 diverse and talented students. There are 68 students in Concert Band, 30 in Symphonic Band, 26 in Choir, 29 in Orchestra, and 26 in Jazz. There are also many students enrolled in multiple music classes this year! Our music students have earned numerous awards, and will be competing in a number of festivals during this school year.

The success of Spring View Middle School's Music Program relies on the commitment and dedication of our students, and our community. Please consider supporting these hardworking and talented musicians in their fundraising efforts. Your donation also provides a wonderful marketing and public relations opportunity to reach out to the community who might not otherwise be aware of your business. Please help make our 2018-2019 Spring View Middle School Music Program a success. **Our tax ID number is 94-6002101.**

Thank you in advance for your support.

Sincerely,

Ms. Celia Boutiette
Spring View Middle School Music Department
